REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance. The prior art made of record in the attached form PTO-892 considered to be pertinent to the submitted application.

Baba et al. US # 6,232,735 disclose a robot remote control system and robot image remote control process. Wherein a public communication network is used for signal processing. System includes an image remote control portion and robot remote control portion. Camera for capturing robot image, presented as image selection portion.

Jouppi US # 6,549,215 discloses a system for displaying images using anamorphic video. Wherein a robot is provided with plurality of cameras and displays. Wherein displays and cameras are capable of tilting up and down.

However, none of the prior art teaches or suggests claimed limitations in combination with:

- Camera and monitor move together in at least two degrees of freedom;
- Camera moves in conjunction with the movement of head worn device, and the head worn device displays the robot images;

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rita Leykin whose telephone number is (571)272-2066. The examiner can normally be reached on Monday-Friday 8:00-4:30.
